# AMVETS Officer Reports

Things are running pretty smoothly at the Post. Still trying to figure out what the gaming board wants from us. I would like to see more members coming through the doors, so check online at the website or facebook for our upcoming events. There will be a Drawdown at the end of April tickets will be on sale soon. The club will also have a Super Bowl and Daytona Race party. I would like to see more Vets at the meetings. It is a shame that 15 to 20 members decide what the post is going to do. Finally, I would like to ask for prayers for Kyle Blake and Brian Loving and their families. Brian passed away and Kyle's father recently passed. Our thoughts and prayers are with both the families.

Ladies,

We have made it through another year! Proud of what we have done this past year and seems like we are starting to work together- thank you! Appreciate all those that have worked and volunteered on our projects, keep up the great work! We are having a Super Bowl Party February 12, and a Daytona 500 Party February 19th, times are posted on the board in the club room. If you would like to bring appetizers that would be greatly appreciated. Would love to see everyone come together.

I would like to thank everyone for their donations. This made it possible for me to go shopping for the Veterans at the VA Hospital.

The cold weather is on us, with that not much motorcycle riding has been going on. I would like to remind all members that each individual club is what you make it. If we can all work together to make a positive change, be it how big or small in someone else's life, then we have succeeded. The Trustee's and Rider's drawdown is coming up. This is the fundraiser for us to keep doing our annual ride for the Virginia Veterans Care Center. Without this fundraiser we would not be able to give away so much at our ride. So any help from anyone is always greatly appreciated. Once again thanks to everyone who has helped in the past, and to all the members who have been with us. Looking forward to what's in store for this upcoming year.
